Creative and detail-oriented UI/UX Developer with hands-on experience in designing and developing user-centered digital interfaces. Skilled in Figma, Adobe XD, and front-end technologies to transform ideas into intuitive, visually appealing, and functional designs. Passionate about crafting seamless user experiences through thoughtful design and collaboration.

## Work Experience:

UI/UX Developer Intern:

Altruisty - Chennai, Tamil Nadu

DEC 2024 – FEB 2025

Front-End Developer Intern:

MindFulAI Technologies Pvt. Ltd. - Chennai, Tamil Nadu

JUN 2025 – JUL 2025

## Projects:

### 1. College Activity and Event Management Website (UI/UX Design – Figma):

- Designed a complete user-friendly web interface for managing college events and activities.
- Created interactive prototypes featuring separate dashboards for users and administrators.
- Focused on accessibility, smooth navigation, and visual consistency across all screens.

### 2. Student Attendance & Performance Tracking System (Frontend Development):

- Designed and developed a responsive web-based system using HTML, CSS, and JavaScript.
- Integrated clean layouts and intuitive dashboards for students, teachers, and administrators.
- Collaborated with a teammate to refine the interface through iterative design improvements and user feedback.

### 3. Academic Project: Integrating AI to Enhance Crop Health with Early Disease Detection and Sustainable Pesticide Practices:

- Developed a mobile application integrated with AI and sensor technology for real-time data analysis and smart decision-making.
- Enabled seamless interaction between the app and hardware sensors to enhance functionality and user experience.

### 4. UI/UX Design Challenge: Organized by Etisalar | Bridging the Gap from Online Learning to Real-World Hiring:

- Designed a complete skill development platform interface using Figma as part of a competitive UI/UX design challenge.
- Created high-fidelity UI screens using Figma, including course discovery, dashboard, portfolio, and certificate pages.

## Skills:

### TECHNICAL SKILLS:

Figma | Canva | Photoshop | HTML | CSS | JavaScript | Bootstrap | Python (Intermediate) | SQL | Git | GitHub | Wireframing | DSA | Prototyping | User Flow Design| Responsive Design | Usability Testing | Mockups

### NON TECHNICAL SKILLS:

Strong Communication | Presentation Skills | Creative Thinking | Problem Solving| Adaptability | Quick Learning | Team Collaboration | Leadership Qualities | Time Management | Task Prioritization | Attention to Detail | Design Consistency | Empathy in User-Centered Design

## Education:

B. E. Computer Science Engineering - Sri Sairam Engineering College, Chennai

2022-2026
