Creative and detail-oriented UI/UX Developer with hands-on experience in designing and developing user-centered digital interfaces. Skilled in Figma, Adobe XD, and front-end technologies to transform ideas into intuitive, visually appealing, and functional designs. Passionate about crafting seamless user experiences through thoughtful design and collaboration.

Work Experience:

UI/UX Developer Intern:

Altruisty - Chennai, Tamil Nadu

DEC 2024 – FEB 2025

Front-End Developer Intern:

MindFulAI Technologies Pvt. Ltd. - Chennai, Tamil Nadu

JUN 2025 – JUL 2025

Projects:

1. College Activity and Event Management Website (UI/UX Design – Figma):

- Designed a complete user-friendly web interface for managing college events and activities.
- Created interactive prototypes featuring separate dashboards for users and administrators.
- Focused on accessibility, smooth navigation, and visual consistency across all screens.

2. Student Attendance & Performance Tracking System (Frontend Development):

- Designed and developed a responsive web-based system using HTML, CSS, and JavaScript.
- Integrated clean layouts and intuitive dashboards for students, teachers, and administrators.
- Collaborated with a teammate to refine the interface through iterative design improvements and user feedback.

3. Personal Portfolio Website (UI/UX + Frontend Implementation):

- Designed a modern personal portfolio interface in Figma and implemented it using HTML, CSS, and JavaScript.
- Showcased professional skills, projects, and certifications with a visually appealing layout.
- Ensured mobile responsiveness and accessibility for an enhanced user experience.
